Not that standards differ from the UK. As the 23MD co-founder Dr Suha Kersh says: 'Our London philosophy of age-management also runs through our Dubai practice.' Still, her co-founder, hormone expert Dr Martin Galy, points out a need for further education. 'Knowledge about hormone-balancing is quite thin in this region,' he says. 'There is a lot of work to do in raising awareness of the safe use of BHRT.'

This being Dubai, where seven-star service is standard, residents also expect the ultimate in expertise.
